

YOUR SONG - ELTON JOHN

It's a little bit funny, this feeling inside
I'm not one of those who can easily hide
I don't have much money, but, boy, if I
did
I'd buy a big house where we both could
live

If I was a sculptor, heh, but then again,
no
Or a man who makes potions in a
traveling show
I know it's not much, but it's the best I
can do
My gift is my song, and this one's for you

And you can tell everybody this is your
song
It may be quite simple, but now that it's
done
I hope you don't mind, I hope you don't
mind that I put down in words
How wonderful life is while you're in the
world

I sat on the roof and kicked off the moss
Well, a few of the verses, well, they've got
me quite cross
But the sun's been quite kind while I wrote
this song
It's for people like you that keep it turned on

So excuse me forgetting, but these things I
do
You see, I've forgotten if they're green or
they're blue
Anyway, the thing is, what I really mean
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song
It may be quite simple, but now that it's done
I hope you don't mind, I hope you don't mind
that I put down in words
How wonderful life is while you're in the
world

I hope you don't mind, I hope you don't mind
that I put down in words
How wonderful life is while you're in the
world

EVERYWHERE - FLEETWOOD MAC

Can you hear me calling
Out your name?
You know that I'm falling
And I don't know what to say

I'll speak a little louder
I'll even shout
You know that I'm proud
And I can't get the words out

Oh I...
I want to be with you everywhere
Oh I...
I want to be with you everywhere
(Wanna be with you everywhere)

Something's happening
Happening to me
My friends say I'm acting peculiarly

C'mon baby
We better make a start
You better make it soon
Before you break my heart

Oh I...
I want to be with you everywhere
Oh I...
I want to be with you everywhere
(Wanna be with you everywhere)

Can you hear me calling
Out your name?
You know that I'm falling
And I don't know what to say

Come along baby
We better make a start
You better make it soon
Before you break my heart

Oh I...
I want to be with you everywhere
Oh I...
I want to be with you everywhere
Oh I...
I want to be with you everywhere
Oh I...
I want to be with you everywhere
(Wanna be with you everywhere)

SON OF A PREACHER MAN - DUSTY SPRINGFIELD

Billy-Ray was a preacher's son
And when his daddy would visit
he'd come along
When they gathered round
and started talkin'
That's when Billy would take me walkin'
A-through the backyard we'd go walkin'
Then he'd look into my eyes
Lord knows to my surprise

The only one who could ever reach me
Was the son of a preacher man
The only boy who could ever teach me
Was the son of a preacher man
Yes he was, he was
Ooh, yes he was

Being good isn't always easy
No matter how hard I try
When he started sweet-talkin' to me
He'd come and tell me everything is all right
He'd kiss and tell me everything is all right
Can I get away again tonight?

The only one who could ever reach me
Was the son of a preacher man
The only boy who could ever teach me
Was the son of a preacher man
Yes he was, he was
(Ooh...) Lord knows he was
Yes he was

How well I remember
The look that was in his eyes
Stealin' kisses from me on the sly
Takin' time to make time
Tellin' me that he's all mine
Learnin' from each other's knowing
Lookin' to see how much we've grown

And the only one who could ever reach me
Was the son of a preacher man
The only boy who could ever teach me
Was the son of a preacher man
Yes he was, he was
Ooh, yes he was

The only one who could ever reach me
He was the sweet-talking son of a preacher man
The only boy who could ever teach me
I kissed the son of a preacher man
The only one who could ever move me
The sweet-lovin' son of a preacher man
The only one who could ever groove me
Ahh, ooh, ahh....

YOUNG HEARTS RUN FREE - CANDI STATON

What's the sense in sharing this one and
only life
Ending up just another lost and lonely wife
You'll count up the years, and they will be
filled with tears

Love only breaks up to start over again
You'll get the baby, but you won't have your
man
While he's busy loving every woman that
he can, uh-huh

Say I'm gonna leave a hundred times a day
It's easier said than done when you just
can't break away
(When you just can't break away)

Oh, young hearts run free
They'll never be hung up, hung up like my
man and me
My man and me

Ooh, young hearts, to yourself be
true
Don't be no fool when love really
don't love you
Don't love you
It's high time now, just one crack at life
Who wants to live it in trouble and
strife
My mind must be free to learn all I
can about me, mm
I'm gonna love me for the rest of my
days
Encourage the babies every time they
say
“Self-preservation is what's really
going on today”

YOUNG HEARTS RUN FREE - CANDI STATON (CONTINUED)

I say I'm gonna turn loose a thousand times
a day

But how can I turn loose when I just can't
break away
(When I just can't break away)

Oh, young hearts just run free
They'll never be hung up, hung up like my
man and me
You and me

Ooh, young hearts, to yourself be true
Don't be no fool when love really don't love
you
Don't love you

Oh, young hearts run free
They'll never be hung up, hung up like my
man and me
My man and me

Oh, oh, oh, oh, oh, young hearts, to
yourself be true

Don't be no fool when love really don't love
you

It don't love you

Ooh, young hearts run free

They'll never be hung up, hung up like my
man and me

My man and me

Oh, young hearts, to yourself be true

Don't be no fool when love really don't love

Don't love you

Ooh, young hearts run free

They'll never be hung up, hung up like my

ROLLING IN THE DEEP - ADELE

There's a fire starting in my heart
Reaching a fever pitch, it's bringing me out
the dark
Finally I can see you crystal clear
[Clean version:] Go 'head and sell me out
and I'll lay your ship bare
[Explicit version:] Go 'head and sell me out
and I'll lay your shit bare
See how I leave with every piece of you
Don't underestimate the things that I will
do

There's a fire starting in my heart
Reaching a fever pitch
And it's bringing me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had
it all
The scars of your love, they leave me
breathless
I can't help feeling
We could have had it all
(You're gonna wish you never had met me)
Rolling in the deep

(Tears are gonna fall, rolling in the deep)
You had my heart inside of your hand
(You're gonna wish you never had met me)
And you played it, to the beat
(Tears are gonna fall, rolling in the deep)

Baby, I have no story to be told
But I've heard one on you
And I'm gonna make your head burn
Think of me in the depths of your despair
Make a home down there
As mine sure won't be shared

(You're gonna wish you never had met me)
The scars of your love remind me of us
(Tears are gonna fall, rolling in the deep)
They keep me thinking that we almost had it
all
(You're gonna wish you never had met me)
The scars of your love, they leave me
breathless
(Tears are gonna fall, rolling in the deep)
I can't help feeling

But you played it, with a beating

Throw your soul through every open door

Count your blessings to find what you look

Turn my sorrow into treasured gold (woah)
You'll pay me back in kind and reap just
what you sow (woah)

SIMPLY THE BEST - TINA TURNER

I call you when I need you
When my heart's on fire
You come to me, come to me
Wild and wired

When you come to me
Give me everything I need

Give me a lifetime of promises
And a world of dreams
Speak the language of love
Like you know what it means

And it can't be wrong
Take my heart and make it strong, baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

In your heart I see the start
Of every night and every day
In your eyes I get lost
I get washed away
Just as long as I'm here in your arms
I could be in no better place

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart, no, no, no
Baby, I would rather be dead

SIMPLY THE BEST - TINA TURNER (CONTINUED)

Each time you leave me I start losing
control

You're walking away with my heart and
my soul

I can feel you even when I'm alone

Oh, baby, don't let go!

You're the best

Better than all the rest

Better than anyone

Anyone I've ever met

I'm stuck on your heart

I hang on every word you say

Tear us apart, no, no

Baby, I would rather be dead

You're the best

LOVE STORY - TAYLOR SWIFT

We were both young when I first saw you
I close my eyes and the flashback starts:
I'm standing there
On a balcony in summer air

See the lights, see the party, the ball gowns
See you make your way through the crowd
And say, "Hello."
Little did I know

That you were Romeo, you were throwing
pebbles
And my daddy said, "Stay away from
Juliet."
And I was crying on the staircase
Begging you, "Please don't go."
And I said

"Romeo, take me somewhere we can be
alone
I'll be waiting. All there's left to do is run
You'll be the prince and I'll be the princess
It's a love story. Baby, just say 'Yes'."

So, I sneak out to the garden to see you
We keep quiet 'cause we're dead if they
knew
So, close your eyes
Escape this town for a little while

Oh, oh
'Cause you were Romeo. I was a scarlet
letter
And my daddy said, "Stay away from
Juliet."
But you were everything to me
I was begging you, "Please don't go!"
And I said

"Romeo, take me somewhere we can be alone

Romeo, save me. They're tryna tell me how to
feel
This love is difficult but it's real
Don't be afraid. We'll make it out of this mess
It's a love story. Baby, just say 'Yes'."

Oh, oh, oh

I got tired of waiting
Wondering if you were ever coming around
My faith in you was fading
When I met you on the outskirts of town
And I said

"Romeo, save me. I've been feeling so
alone

I keep waiting for you, but you never
come

Is this in my head? I don't know what to
think."

He knelt to the ground and pulled out a
ring and said

"Marry me, Juliet. You'll never have to be
alone

I love you, and that's all I really know

I talked to your dad. Go pick out a white
dress

It's a love story. Baby, just say 'Yes'."

Oh, oh, oh, oh, oh, oh

'Cause we were both young when I first

YOU'VE GOT THE LOVE - FLORENCE + THE MACHINE

Sometimes I feel like throwing my hands up in
the air

I know I can count on you

Sometimes I feel like saying, "Lord, I just
don't care."

But you've got the love I need To see me
through

Sometimes it seems that the going is just too
rough

And things go wrong no matter what I do

Now and then it seems that life is just too
much

But you've got the love I need to see me
through

When food is gone you are my daily meal

When friends are gone I know my Saviour's
love is real

You know it's real

You got the love

You got the love

You got the love

You got the love

You got the love

You got the love

Time after time I think, "Oh, Lord,
what's the use?"

Time after time I think it's just no good
'Cause sooner or later in life, the things
you love you lose

But you got the love I need to see me
through

[2x]

You got the love

You got the love

You got the love

You got the love

You got the love

You got the love

Sometimes I feel like throwing my
hands up in the air

'Cause I know I can count on you

Sometimes I feel like saying, "Lord, I
just don't care."

But you've got the love I need to see
me through

LIKE A PRAYER - MADONNA

Life is a mystery
Everyone must stand alone
I hear you call my name
And it feels like home

When you call my name
It's like a little prayer
I'm down on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

I hear your voice
It's like an angel sighing
I have no choice
I hear your voice
Feels like flying
I close my eyes
Oh God, I think I'm falling
Out of the sky
I close my eyes
Heaven, help me

When you call my name
It's like a little prayer
I'm down on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

Like a child
You whisper softly to me
You're in control
Just like a child
Now I'm dancing
It's like a dream
No end and no beginning
You're here with me
It's like a dream
Let the choir sing

When you call my name
It's like a little prayer
I'm down on my knees
I wanna take you there
In the midnight hour
I can feel your power
Just like a prayer
You know I'll take you there

ROCKET MAN - ELTON JOHN

She packed my bags last night, pre-flight
Zero hour: 9:00 AM
And I'm gonna be high as a kite by then
I miss the Earth so much, I miss my wife
It's lonely out in space
On such a timeless flight

And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh, no, no, no
I'm a rocket man
Rocket man!
Burning out his fuse up here alone
And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh, no, no, no
I'm a rocket man
Rocket man!
Burning out his fuse up here alone

Mars ain't the kind of place to raise your kids
In fact, it's cold as hell
And there's no one there to raise them if you
did
And all the science, I don't understand
It's just my job five days a week
A rocket man
A rocket man

And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh, no, no, no
I'm a rocket man
Rocket man!

Burning out his fuse up here alone
And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh, no, no, no
I'm a rocket man
Rocket man!
Burning out his fuse up here alone

And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time
And I think it's gonna be a long, long time

CHAMPAGNE SUPERNOVA - OASIS

How many special people change
How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky

Wake up the dawn and ask her why
A dreamer dreams she never dies
Wipe that tear away now from your eye
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova

'Cause people believe that they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning round
We don't know why
Why, why, why, why

How many special people change
How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova

'Cause people believe that they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning round
We don't know why
Why, why, why, why

How many special people change
How many lives are living strange
Where were you while we were getting high?
We were getting high [repeat until fade]

HEY JUDE - THE BEATLES

Hey, Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey, Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain,
Hey, Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool
By making his world a little colder

Nah, nah nah, nah nah, nah nah, nah nah

Hey, Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in,
Hey, Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you,
Hey, Jude, you'll do
The movement you need is on your shoulder

Nah, nah nah, nah nah, nah nah, nah nah yeah

Hey, Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better, better,
better, better, better... oh!

Nah, nah nah, nah nah, nah, nah, nah nah,
Hey, Jude

Nah, nah nah, nah nah, nah, nah, nah nah,
Hey, Jude

Nah, nah nah, nah nah, nah, nah, nah nah,
Hey, Jude (Jude)

Nah, nah nah, nah nah, nah, nah, nah nah,
Hey, Jude (yeah, yeah, yeah)

Nah, nah nah, nah nah, nah, nah, nah nah,
Hey, Jude

Nah, nah nah, nah nah, nah, nah, nah nah,

x3 till fade out
